Job Title: Nursery Team Member Intern

Location: Modesto, CA

Position Type: Internship (Part-Time)

Company Overview: Generation Growers, Inc. is a wholesale container nursery located in Modesto, CA, specializing in a wide variety of high-quality plants. We are committed to fostering the next generation of horticultural professionals and are offering an internship opportunity for students interested in gaining hands-on experience in the nursery industry.

Internship Overview: As a Nursery Team Member Student Intern, you will have the opportunity to work alongside experienced horticulturists and gain practical knowledge in plant care, nursery operations, and the overall business of horticulture. This internship is ideal for students pursuing studies in horticulture, botany, agriculture, or related fields who are eager to apply their academic knowledge in a real-world setting.

Key Responsibilities:

- Assist with the daily care and maintenance of plants, including watering, pruning, fertilizing, and monitoring plant health.
- Participate in planting, transplanting, and organizing containerized plants according to nursery standards.
- Learn and apply best practices in plant care, propagation, and pest management.
- Support the preparation and fulfillment of orders, gaining insight into the logistics of wholesale plant distribution.
- Maintain a clean, organized, and safe work environment within the nursery.
- Perform a variety of tasks related to nursery upkeep, including weeding, labeling, and inventory management.
- Engage in learning opportunities, such as shadowing experienced staff and participating in educational workshops or training sessions.
- Communicate effectively with team members and supervisors, sharing observations and asking questions to enhance learning.

Qualifications:

- Currently enrolled in a degree program related to horticulture, botany, agriculture, or a similar field - preferred.
- A genuine interest in plants and a desire to learn more about horticulture and nursery operations.
- Willingness to work outdoors in various weather conditions.
- Ability to handle a variety of tasks with flexibility and a positive attitude.
- Strong verbal and written communication skills.
- Ability to work both independently and as part of a team.
- Basic understanding of plant care is a plus but not required; training will be provided.

Internship Benefits:

- Hands-on experience in a professional nursery setting.
- Mentorship from experienced horticulturists.
- Flexible work schedule to accommodate academic commitments.
- Potential for academic credit, depending on your school's internship program.
- Opportunity to apply classroom knowledge in a real-world environment.
- Employee discounts on plants and nursery products.

How to Apply: Interested students should submit their resume and a brief cover letter explaining their interest in the internship and how it aligns with their academic and career goals. Applications can be sent to info@generationgrowers.com
